As to Claim 25, the prior art of record taken along or in combination, fails to disclose or render obvious dividing the sample into a plurality of cells, comparing the scan data from the sample of each plurality of cells with the background data member, flagging each cell with a scan differing from the background data member, and re-caning each of the flagged cells and comparing resultant scan data with said contaminant data members, in combination with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
